PERSON SPECIFICATION 2026

TRAUMA AND ORTHOPAEDIC SURGERY - ST3

ELIGIBILITY TO APPLY

Please make sure you meet all below eligibility criteria before applying.

QUALIFICATIONS

You must hold a Bachelor of Medicine, Bachelor of Surgery (BMBS, MBBS) degree or other equivalent medical qualification.

REGISTRATION & RIGHT TO WORK

You must:

- Be eligible to work in the UK.
- Hold full registration with the General Medical Council (GMC) at the time of application, **and** hold a current licence to practise on the date your post commences.
- Meet the standards set out in *Good Medical Practice*, and not be subject to fitness to practise conditions which would prevent you taking up the post or performing fully within it.

You **must not**

- Hold, nor be eligible to hold, a Certificate of Completion of Training (CCT) or Certificate of Eligibility for Specialist Registration (CESR) for this specialty, **nor**
- Already be eligible for the specialist register for this specialty.

CAREER HISTORY

You must be able to provide complete details of your employment history, including any gaps.

DISCLOSURE

- You must complete all sections of the application form fully and truthfully, in accordance with written guidelines.
- You must disclose in your application if you are subject to any ongoing fitness to practise proceedings or are subject to any fitness to practise conditions.
- **If you are currently in specialty training** and are applying to continue training in the same specialty in another region, you must obtain a Support for Application to another region form signed by the Training Programme Director/Head of School of your current Specialty Training Programme. This must confirm satisfactory progress and be submitted with your application.

- **If you have previously resigned, or been removed from, a training programme in any specialty**, you must obtain a Support for Reapplication to Specialty Training form signed by the Training Programme Director/Head of School and Postgraduate Dean from the region you previously undertook training in. This must be submitted with your application.

CAPABILITY/COMPETENCES AND EXPERIENCE FOR ST3 ENTRY

Capability/Competences

You must have evidence of achievement of core surgical competences, via one of the following three methods:

- Current employment in a UK Core Surgical Training programme which leads to successful completion of the programme by the advertised post start date for the vacancy; **or**
- Successful completion of a UK Core Surgical Training programme, evidenced by a satisfactory ARCP outcome. This must be submitted with your application; **or**
- A completed *Alternative Certificate of Eligibility to Enter Higher Surgical Training*. This must be submitted with your application.

Experience

If you **wish to be considered for Locum Appointment for Training posts (where available)** you must have no more than 24 months experience in LAT posts in this specialty by the advertised post start date for the vacancy.

PROFESSIONAL EXAMINATIONS

You must have been awarded Membership of the Royal College of Surgeons (MRCS) by examination by the 'initial offers released by' date for the round.
